

Greetings from the Desk of the Chairman of the Board,

As the chairman of Kappa Alpha Psi Jacksonville Foundation, Inc. and the Board of Directors, I bid you greetings and prayers as we continue to go through such unforeseen circumstances and navigate through unsure times. I say my friends, keep your head up and know that God will provide and he has us in the palm of his hands as we endure these rough times.

As you know, global, national, and local communities are facing many challenges due to the current state of the pandemic Coronavirus. I was reminded by my pastor who stated “And this too shall pass”. I say to all stay encouraged and believe as there is a higher power walking with us as we face the uncertainties of life. Once we turn back to some form of normalcy, our Foundation believes that these challenges and what we learn from them will become prime opportunities for a promising future. Therefore, we have begun to put our beliefs into action by moving toward the planned construction of a community achievement center from which more initiatives will be implemented to foster community development and service to others. Furthermore, the Foundation will continue to designate a significant portion of its financial support toward our Kappa League mentorship and scholarship programs. We have the belief of a confident, productive, and progressive future in the greater Jacksonville community, and specifically for our youth which remains undaunted as we strive to turn our beliefs and dreams into realities.

The core value of the Foundation is to continue its investments in the welfare of the greater Jacksonville community by strategically empowering all of its citizens economically and socially. The Foundation can only create a brighter tomorrow by implementing critical, constructive actions today. During the past few years, the Kappa Alpha Psi Jacksonville Foundation, Inc. has focused on charitable venues through youth-oriented programs and has awarded a plethora of college scholarships to deserving youths. The Foundation believes that these scholarships have been instrumental in encouraging the pursuit of their educational and career aspirations.

In closing, I hope you will decide to unite with us and participate in our three annual fundraising events. Our new year kicks off with, our Healthy Start 5K run, which promotes living a healthy lifestyle. In the spring, we host a charity golf tournament, and wrap up our fundraising efforts with a signature Black and White Ball. Most importantly, our foundation is here to support all people especially those that care and see the needs in which aids our community. If you are unable to participate, I encourage you to consider donating and supporting our vision. All your gifts will have a lasting impact.

Our Mission: “To cultivate young leaders in the Jacksonville community to achieve their hopes and dreams in Every Field of Human Endeavor.

Our vision: “To connect and inspire youth with the greatest opportunities and the most amazing life experiences imaginable”.

Our Purpose: “Building a Foundation, Leaving and Indelible Impact”

Warmly Submitted,
